A special public meeting has been organised for Thursday 22 April 2010 and candidates from the four political parties standing for election will be taking part in a question and answer style debate known as hustings.

**Thursday 22 April 2010**

Starting at **7:00pm**

St Augustine's Primary School,

All the candidates are campaigning to become your next Member of Parliament and hustings are a great way to find out their views and opinions on important topics. The open public meeting is where voters can raise questions and listen to the debates. Come along and find out who your prospective candidates are, what they stand for, and have to say before you decide to vote. Don't forget to bring your family, friends and neighbours along too as it promises to be a lively debate.

This event is being hosted and facilitated by Neighbourhood Consultancy Ltd and Cherry Orchard Neighbourhood Forum. Use this opportunity to raise issues important to you. Free transport to the venue is available but you need to book in advance by calling 0121 448 8187. **Make your vote count!**
